WE ARE THE EXCLUSIVE AUSTRALIAN DISTRIBUTORS OF GERMANY'S 2M GMBH STAGING SYSTEMS

WE CAN DELIVER STAGE DESIGNS THAT INCLUDE

- Circular revolving stages
- Motorised stage lifts
- Automated lifting platforms
- Grandstand seating
- A range of sizes, shapes & heights
- Interchangeable stage tops including multiple colours & backlit designs
- Customisable cladding to dress your stage in almost any colour & design

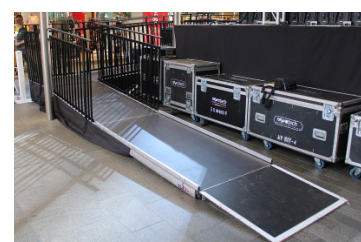

Our world-leading modular system can be customised to create a unique and memorable stage for your event.

Whether you're launching a product, hosting a gala awards show, running a promotion or creating a luxury corporate hospitality experience, our innovative stage solutions can be tailored for you.

WITH OUR CUSTOMISABLE SYSTEM, YOU CAN

- Showcase your latest product range on a revolving stage
- Create a modern fashion catwalk with glossy white stage tops with tiered audience seating set out alongside the runway
- Wrap your stage in custom-designed cladding to showcase your brand or your sponsor logos
- Ensure accessibility for all with wheelchair ramps for stage entry and exit
- Create a spectacle with an unusual stage location, maybe placed across a pool or jutting from the side of a Stadium
- Make your stage part of the show with motorised pieces that can rise and fall on cue
- Build drama with colour-changing stage tops, lit from underneath and cued to match the on-stage performance
- And much, much more. The stage you want for your corporate event is no longer only in your dreams, if you can imagine it, we can deliver it.

Our systems are world's best, versatile and light weight and meet all relevant Australian Standards and Practices, design guides and references as noted below.
